be impressed by the talent, dedication, and sportsmanship displayed by our young athletes, as well as the quality of coaching across the Island.

I would like to extend my sincere appreciation to all the coaches, parents, officials, and volunteers who contributed their time and effort to making the 2026 season a success. Your commitment helps create positive and memorable experiences for our players, both on and off the field.

On a personal note, after four years serving as the Director of 13U Competitions, I have made the decision not to reapply for the position. It has truly been a pleasure and a privilege to serve in this role. I have enjoyed watching our young athletes develop, seeing the dedication of our coaches and volunteers, and being part of the continued growth of baseball across Prince Edward Island.

I am grateful for the experiences, relationships, and memories these past four years have given me. I wish the next Director every success and look forward to seeing the 13U divisions continue to thrive in the years ahead.

Thank you to everyone who has been part of this journey!

Respectfully submitted,
