

Baseball PEI Annual General Meeting 2026

Director's Report – 15U / 18U Divisions

Submitted by: Tim Ashton - PEI Director 15/18u

The 2026 season was a busy year with the 15u and 18u divisions, with the inaugural season of the 18u AA minor division. The 15u division had 21 teams and 18u had 19 teams, which is a great number of youth athletes playing across the province.

Season Overview

Strong competition across both divisions highlighted the remarkable quality of baseball talent in Prince Edward Island. A summary of the season's divisional highlights follows below

15U Division

15U A:

Games played: 13

Teams: 11 - (-1 from year before)

Three Rivers were Prov Champs

15U AA:

Games played: 15 by 4 16 by 1

Teams 5 - (-1 from year before)

Kings County - was Elimination and Prov Champ - Won Atlantic

15U AAA:

Games played: 16

Teams 5 (+1 from last year)

Capital Islanders - were Prov Champs - Finished 2nd at Atlantic

18U Division

18U A:

Games played: 11 by 1, 13 by 2, 14 by 4, 15 by 1

Teams - 8 - (-3 from year before)

Cornwall were the Prov Champs

18u AA Minor:

Games played 10 by all

Teams 6 teams

Cornwall were the champs - we used an elimination game and then semi's and final for it

18u AA

Game played 7 games - played by all - 15u Prov Team joined in for 3 out of 5 games
Teams 5 (+2 from the year before)
Cornwall were the Prov Champs and Eliminations (Cornwall Pyramid of 18u)
Cornwall competed in Atlantics and won the Gold Medal.
(Capping off a long run for this group of players)

General Observations

Overall 2026 was a very successful season of baseball, with the introduction of a new division in the 18u division and 2 Atlantic Gold Medals.

There was improvement in the player, coach and spectator conduct, but there still needs more improvement - the Spectator Policy was brought in before the play downs in August/September to help with some concerns.

Suggestions (a Google form was sent out to coaches - in regards to suggestions)

- Season was over too early in the 18uAA Major - not alot of games after prov
- Rules - Why do we have different rules from Atlantics and PEI - need a list of rules before the season - so all teams and coaches know.
- More games if possible - 10-12 games isn't enough - double headers?
- Have an early season tourney - but use 1-1 count for pitchers - so that arm health and more chances to play more games.
- 11-12 batters was a positive - allows for more innings played and more reps
- AA major becomes AAA at Atlantics and AA minor becomes AA at Atlantics

Closing Remarks

It was a great learning year for me as the Director of 15u and 18u - my suggestion would be to divide this into a two person job with the increase of players coming into this league. The need for more games is a great suggestion and should be looked into - with a league tourney at the beginning of the year or another option to help get some more games.

Thank you for the Baseball PEI directors support with the 15u and 18u division.
