Summary and Reflections

The 13U divisions delivered **entertaining and competitive baseball** throughout the summer. The level of play continues to improve each season, supported by the dedication of coaches and volunteers across the Island.

It was a pleasure to attend many games this year and witness firsthand the **talent, sportsmanship, and enthusiasm** that define this age group.

I extend my sincere gratitude to all **coaches, parents, and volunteers** whose contributions made the 2025 season a success and a memorable experience for our young athletes. It has been a privilege to serve as Director and to support the continued growth of 13U baseball on PEI.
